We need to start to reduce our impact that we have on our planet.

And that's where you come in!

WWF are looking for **Green Ambassadors to help us show others how important it is that we **protect our planet** and everything that lives on it.**

**Being a Green Ambassador is all about
making a difference.**

Cares for oneself

Cares for each other

Cares for our planet.

BEING A GREEN AMBASSADOR

World's leading independent
authority. We have a passion for
the natural world. And as a Green
Ambassador, you'll be joining us in this quest.

You are a VIP – a very important
person who makes their voice heard,
inspires others, and makes things happen.

As a Green Ambassador you have a great
advantage. You are someone who makes
all these things in order to
make your school more 'sustainable'.
Your school is a place where
everyone can care for themselves, each other

Being a Green Ambassador is all
about making a difference.

you!

CARE FOR EACH OTHER

An aerial photograph of a lush, green landscape. A winding river flows through a vibrant green field, which is bordered by a dense, dark green forest. The sky is filled with soft, white clouds. The overall scene is a beautiful representation of nature's beauty and the importance of environmental stewardship.

Every action you take - **however small** -
can make a big difference.
