FOOD SURVEY GREEN AMBASSADORS Are special meals prepared for pupils with particular dietary needs? Are the portions the right size or do pupils often throw food away? Do most pupils' packed lunches contain fresh fruit and vegetables? Does your school have drinking water fountains or coolers for drinking water? Do teachers use Fairtrade tea, coffee and sugar in the staff room? If there is any form of school 'tuck shop', does it stock healthy foods?

If you have any ideas for improvements you think your school could make, why not write them down here?

Does the tuck shop stock any Fairtrade goods?
